

Countdown to Race Day, July 5!

Contenders are lining up for the 2010 AYC Downs.

Jockeying for position are the Smiths, Shaeffers, Mundenars, Avellino's, and O'Shaughnessy's, just to name a few.....

Wagers are up 7.8% based on the news that *A Shore Thing* of Mundenar Stables is competing in this event..

Don't be left out of the Winner's Circle. It is not too late to own one of the thirty horses entered in the races!

You can place bets and cheer for your favorite horse but you can't buy a horse that night so don't delay.

Check out the AYC Downs Info section and find out how to get in on the action. But hurry...gates are filling up!

Call the AYC at 609-967-4444 to confirm your attendance.
